Cabalié's popularity is down to a rare combination of imposing richness and easy drinking smoothness. Recreating that in white was no easy task. But Cabalié maestro Hervé Sabardeil has done it – years of searching, blending and hard work come to fruition in this, his ultimate expression of a southern French white. The magical grape mix is old-vine Viognier for intense honeysuckle aroma and soft texture, Muscat for dazzling grapey notes, and Colombard to keep it all zesty. And of course the other key ingredients are bright southern French sunshine, which ripens the grapes to perfection, sea breezes to keep them healthy and night harvesting to ensure maximum freshness. Bursting with tropical fruit, Cabalié is perfect with seafood or chicken.

Well rounded with peach and pear flavours, easy drinking and a real delight. A definite rebuy!
