CH DES PERLIGUES - 2020

GRAVES ROUGE AOC

OVERVIEW

Château Des Perligues is located in the village of Illats, in the heart of the Graves appellation, at the gateway of Bordeaux. The vineyard is established on two different plots, located on two distinctive communes, allowing white and red wines production. The vineyard was created in 1962 and was Mrs SATTANINO's property until 2007. It is now under the care and supervision of Mrs SMATI and maintains the perfectly meticulous characteristics of a "woman's vineyard". Indeed it was always managed by women, present in the vineyard and cellar all along the season, from the harvest to the bottling, knowing perfectly how they want to produce their wine. Mrs Smati explains her feminine way of producing: " Women work less mechanically with a quite more motherly and human approach". The vineyard was entirely restructured during 2007 and 2008.

In the mouth, this nice bouquet discovered in the nose is well present. The fine tannins and little present bring the wine on a nice length and a nice finish very slightly woody.
