

DOMAINE DUBOST

VIGNERONS EN BEAUJOLAIS

Domaine Dubost, Beaujolais-Lantignié sans sulfites

A floral, mineral red from an area of the Beaujolais that considers itself justifiably separate from generic Beaujolais-Villages.

It's a no-added-sulphites charmer packed with ripe fruit—energetic, bright and appetizing with the soft character of Gamay and some velvety tannins giving structure to the lively appeal of youth.
