## SPÄTBURGUNDER „vom Kalkboden“ trocken/dry

0,75 l

Vintage: 2021

Region: Pfalz/Germany

Site: Neuleiningen

Residual Sugar: 5 g/l

Acidity: 5 g/l

Alcohol: 13 % Vol

Grown on Limestone (Kalkboden) soil, short 8 days of maceration at 25-28° Celsius in stainless steel tanks, malolactic Fermentation and maturing in concrete tanks, about 10% in used oak barrels. 2021 has been a cold year in comparison with the previous ones: this german Pinot Noir is a very good example of a fresh and fruity redwine with a smooth finish. A german red that can be enjoyed even in hot summer days!

Light, crisp, elegant.

Recommended serving-temperature:  
slightly chilled at 16 °Celsius.
