Not sure what to bring to a summer party with both wine lovers and casual sippers? The Rudi Rüttger – Family often wondered about exactly this, and created this perfect crowd-pleaser: It's an honest German Riesling, but light at 10,5 %, with a tiny touch of sweetness. The 2024 vintage: stone fruits, juicy peach, golden apricot, a hint of citrus. On the palate, it delivers a silky, off-dry richness. Beautifully counterbalanced by a crisp, refreshing acidity.

This vintage shows a touch more brightness and finesse - vibrant aromas of sun-ripened. Whether sipped on its own (good idea!) or paired with light dishes, "Le Tendre" 2024 remains a charming choice for both seasoned enthusiasts and curious newcomers.

Recommended drinking temperature: 9-11°C
