Residual Sugar: 2,4 g/l

Acidity: 5,3 g/l

Alcohol: 13,5 % Vol

2022 was marked by a warm and dry growing season in the vineyards of Neuleiningen. A steady summer and early autumn brought ideal ripening conditions, with small, concentrated berries and excellent grape health. Compared to the cool late 2021 vintage, 2022 delivered more opulence and structure.

This Réserve-style Pinot reflects the warmth of the year but retained the precision and minerality of our sites.

Fully matured in a mix of new and used oak barrels for 15 months, the wine shows depth, elegance, and balance. Ripe dark cherry, black raspberry, plum, but also dried herbs and toasted wood are offering a long, savory finish.

Recommended drinking temperature: 16-18°C.
