

WHITE

Night Harvest Chardonnay

Produced by Bodegas Castillo de Monjardín in D.O. Navarra, northern Spain, this Chardonnay comes from Finca El Cerezo, a high altitude vineyard planted on clay soils at 600 metres above sea level. Navarra's warm days and cool nights help preserve freshness and acidity while allowing the fruit to ripen slowly.

Harvested during the coolness of the night to retain freshness and aromatics, the grapes are fermented in stainless steel with no oak influence, resulting in a bright and energetic style focused on the natural character of the Chardonnay.

2025 Vintage

100% Chardonnay

Unoaked

13% ABV

32 Year Old Vines

D.O. Navarra, Spain

Tasting Notes

Citrus, green apple, pineapple and banana with tropical fruit at the front of the palate followed by lively citrus acidity and a clean finish.
